*Per DMHC and DHCS Regulations, and NCQA HP Standards and Guidelines

PA – Prior authorization

Urgent Care – Services required to prevent serious deterioration of health following the onset of an unforeseen condition or injury (i.e., sore throats, fever, minor lacerations, and some broken bones).

Non-urgent Care – Routine appointments for non-urgent conditions.

Triage or Screening – The assessment of a member’s health concerns and symptoms via communication with a physician, registered nurse, or other qualified health professional acting within their scope of practice. This individual must be trained to screen or triage, and determine the urgency of the member’s need for care.

Shortening or Extending Appointment Timeframes – The applicable waiting time to obtain a particular appointment may be extended if the referring or treating licensed health care practitioner, or the health professional providing triage or screening services, as applicable, acting within the scope of their practice and consistent with professionally recognized standards of practice, has determined and noted in the member’s medical record that a longer waiting time will not have a detrimental impact on the health of the member.
