Need a printed provider directory?

To request a provider directory be mailed to you at no cost, please call the Customer Care Center at the number listed on the back of your member ID card.

Your primary care provider (PCP)

Your main doctor is called a primary care provider (PCP). You can choose your PCP from the many doctors who work with us. Each family member can have a different doctor, or you can choose one to take care of the whole family.

Your PCP is listed on your member ID card and in your [online profile](#). You can [change your PCP](#) anytime.
